Swim Lesson Information:

A separate application for each participant/child is required. Please note: All of the information requested on both pages 1 & 2 must be completed in their entirety and a signature is required.

Each session consists of 4 x 40 minute classes once a week for four weeks. Private lessons include 4 x 40 minute lessons privately scheduled with instructor.

CLASS AVAILABILITY: Each group class must meet the minimum of 3 participants in order to hold the class. If this minimum has not been met by the start of classes you will be notified and offered an alternative date/time. Money paid will be fully refunded if you choose to not participate at our rescheduling. We reserve the rights to cancel any sessions due to low enrollment. If a session is cancelled you will be provided a full refund.

Should there be any interference with the regularly scheduled lessons on behalf of PAC, make up classes will be arranged. The cancellation of swim lessons will be made 30 minutes prior to the lesson. We encourage you to call the office or to check our website prestonaquaticcenter.com, or our FACEBOOK page for information on a questionable day. Lesson forms will be accepted by mail if postmarked two weeks prior to the beginning of the requested session. Applications will be accepted until the day before the session is to begin at the pool office on a first come first serve basis until each session is full. Once lessons are completed for the day, we ask that everyone leave the pool facility prior to reentering the pool for the normal 11:00 – 7:30 pool day. Please arrive at the pool no more than 15 minutes prior to the lesson and ready to swim. Registration fees must be paid in full before the start of the lessons or the child/participant will not be permitted to participate.

Goggles are not required but encouraged. Because lessons are performance based, if it is determined that your child is not prepared for a group lesson, we reserve the right to suggest alternatives.
